REGATTA SITE MAP

PARKING (TRAILERS AND CARS)

Please take note of the attached land venue map.

As you drive down Hastings St and into Claude Batten Drive very soon you will encounter the SES and Noosa OCC members who will direct you to the car park which Noosa Council have kindly allowed us to use.

The car park is located on the left hand side. You will be directed by our club members. We have a system and would be most grateful if our visiting paddlers would adhere to our requests to park as directed. There is nowhere in this park which is far from the beach and facilities.

In particular canoe trailers must follow directions to avoid congestion.

We strongly recommend that trailers arrive on Friday afternoon if at all possible.

Please contact Craig Harris tel 0439 724 757 if you plan to arrive on Friday so they can arrange for you to gain access to the park.

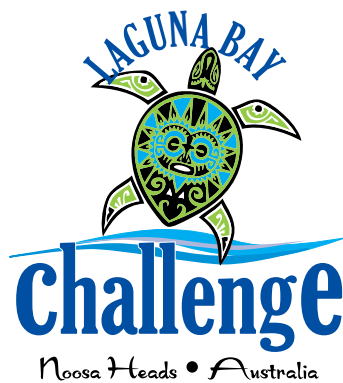

On Saturday the car park will be open from 05:00am for trailers and cars.

If you need to drop off tents or gear for the beach, cars and UTEs will be permitted to turn right into the cul-de-sac as advised by SES and NOCC Clubbies. This area is for drop off only and once unloaded you should go and park your car in the main car park with the other competitors.

Please also note that this car park will be locked closed at 9pm so if you plan to stay a while after the regatta make sure you move your car to public parking.

Overnight parking for trailers will be permitted and the gates opened again when competitors for the Noosa Ocean Classic surfski and OC1/2 races on Sunday will start arriving..

Examples; <240 means that the aggregate age of all crew members should be less than 240 (equivalent to an open crew) and >300 means aggregate age must be greater than 300 (equivalent to a senior master's crew).

For registration purposes crews should be nominated as open in the first instance but in the notes indicate which aggregate age category they are racing in.
